

Revised Resolution 19-031

**Bridge Reinspection Program Resolution
for use with SDDOT Retainer Contracts**

Whereas, Title 23, Section 151, United States Code and Title 23, Part 650, Subpart C, Code of Federal Regulations, requires initial inspection of all bridges and reinspection at intervals not to exceed two years with the exception of reinforced concrete box culverts that meet specific criteria. These culverts are reinspected at intervals not to exceed four years.

Therefore, the City of Brookings is desirous of participating in the Bridge Inspection Program using Bridge Replacement Funds.

Therefore, Be It Further Resolved, that the City of Brookings requests SDDOT to hire Civil Design Inc. for the inspection work. SDDOT will secure Federal approvals, make payments to the Consulting Engineer for inspection services rendered, and bill the City for 20% of the cost. The City of Brookings will be responsible for the required 20% matching funds.

This resolution will revise Resolution 19-031 which was adopted on March 26, 2019.

Passed and approved this 23rd day of April, 2019.

CITY OF BROOKINGS

Keith W. Corbett, Mayor

ATTEST:

Bonnie Foster, Acting City Clerk
