

Resolution 19-045

Resolution Authorizing the City Manager to sign Wetlands Functional Capacity Unit Credits Purchase Contract with North Central Mitigation

Whereas, the City of Brookings is desirous in obtaining a Section 404 Permit for the Brookings Marketplace project, application number NOW-2017-0348-PIE; and

Whereas, the U.S. Army Corps of Engineers, Omaha District, will require compensatory off-site wetland mitigation as part of the project; and

Whereas, the Corps has authorized North Central Mitigation to complete the Mitigation Requirement; and

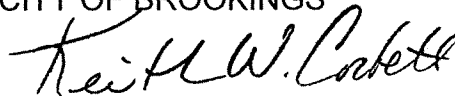

Whereas, the North Central Mitigation agrees to sell 7.72 Functional Credit Unit Credits for the purchase price of \$96,500 for the City of Brookings project.

Whereas, the City Council desires to purchase the credits for the development of the Market Place and will do so out of reserves.

Now, Therefore, Be It Resolved that the City Council of the City of Brookings authorizes the City Manager to sign the Wetland Functional Capacity Unit Credits Purchase Contract with North Central Mitigation.

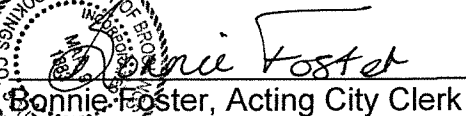

Passed and approved this 11th day of June, 2019.

CITY OF BROOKINGS

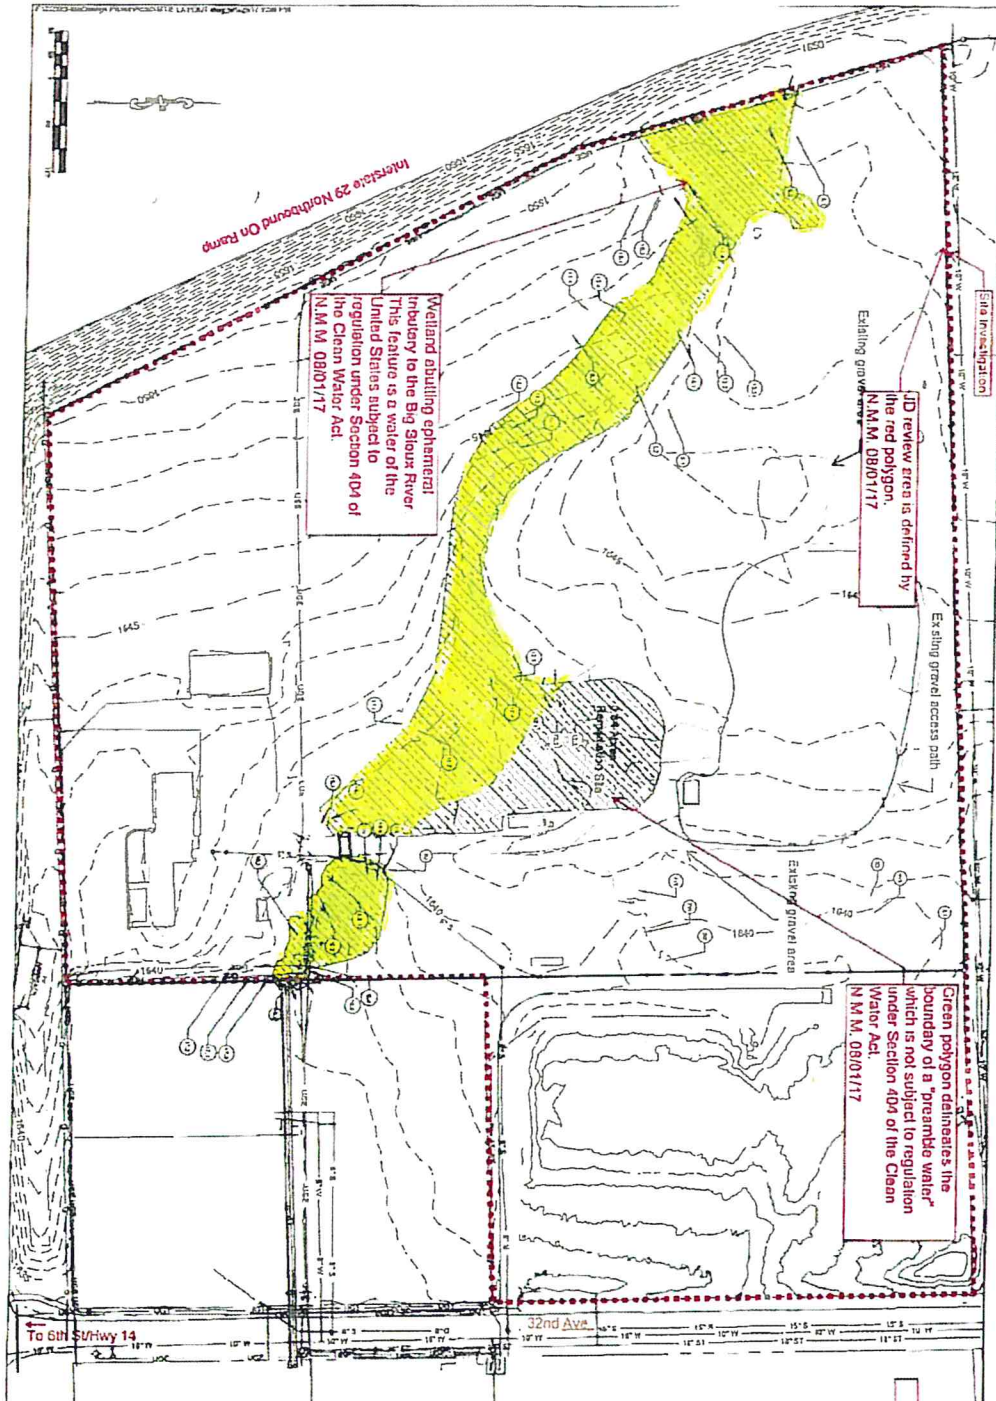

Keith W. Corbett, Mayor

ATTEST:

Bonnie Foster, Acting City Clerk

Wetland abutting ephemeral tributary to the Big Sioux River. This feature is a water of the United States subject to regulation under Section 404 of the Clean Water Act. N.M.M. 08/01/17

JD review area is defined by the red polygon. N.M.M. 08/01/17

Green polygon delineates the boundary of a "preamble water" which is not subject to regulation under Section 404 of the Clean Water Act. N.M.M. 08/01/17
