City Council Governance Process for Citizen Advisory Boards

The City Council values the expression of citizen viewpoints on topics of concern to the Council. Therefore, the Council will continue the tradition of seeking input from volunteer citizen advisory boards and committees, although final responsibility for decisions, and the implementation that follows, rests entirely with the Council. The Council reminds staff that the ideal purpose of citizen involvement is not to advance staff agendas, but to seek objective opinions from a diverse range of citizens.

Guideline A:

The Council will make every effort to offer overall direction and guidelines to citizen volunteers, through the use of Council Ends Policy statements, and by reviewing the mission and need for each citizen advisory board and committee on an annual basis. During the annual review:

1. The Council will determine if the need for a citizen advisory board or committee justifies continuation of the board or committee. If continuation is justified, proceed to #2.
2. The Council will make an effort to determine the most effective use of citizen volunteers, with a primary decision being the length of service for each board and committee. The Council believes citizen input will be more likely objective and updated if the advisory board or committee is kept in an ad hoc (short-term) format. However, the Council recognizes that some complex issues require citizen involvement for a longer period in order to be effective.
3. Unless otherwise specified by the Council, the City Manager will coordinate the activities and reporting functions of all citizen advisory boards and committees.
4. The City Manager will base his guidance of citizen advisory boards and committees on Ends Policies established by the Council.
5. The Mayor, with advice and consent of the Council, will make all appointments to citizen advisory boards and committees.
6. Upon recommendation of the City Manager, the Council may approve the creation of ad hoc committees to assist the City Manager or his staff.

Guideline B:

The Council directs all staff to review relevant Ends Policies with citizens upon their appointment to an advisory board or committee. The Council asks staff to be as objective as possible in educating and presenting options to citizens, since the purpose of advisory boards and committees is not only to hear from citizens, but to increase citizen involvement, loyalty, and creativity toward their City.

1. The Council asks the City Manager to create and regularly update an orientation packet for each new volunteer that includes relevant Ends Policies.

2. The Council asks staff to review this orientation packet with each potential volunteer, prior to their appointment, emphasizing this very policy (Policy 1.6), and asking for a citizen signature on the line that indicates understanding of this policy.
3. Staff will provide regular summaries of citizen committee work to the Council.

I HAVE READ AND FULLY UNDERSTAND THE ABOVE STATED CONDITIONS FOR APPOINTMENT.
