Purpose

The purpose of the Board of Health is to provide a general supervision of the overall health of the city with power to take all steps and measures necessary to promote the cleanliness and healthfulness of the city to prevent and arrest the spread of any contagious or infectious diseases and harmful environmental conditions, and to quarantine any person or evacuate any area contaminated by such condition or disease. The Board of Health shall also provide general supervision over the sanitary conditions of the city, the operation of the Brookings Regional Landfill and the City Solid Waste Collection System.

Duties:

- The Board of Health shall provide the city council the advice and information it determines appropriate and necessary concerning the public health of the city; and whenever it shall hear of the existence of a toxic or potentially hazardous environmental condition or contagious, dangerous or deadly disease, it shall promptly investigate the same and adopt necessary measures to arrest its progress. The Board of Health shall exercise general supervision over the sanitation laws of the state and city. For completing these requirements, it shall be permitted at all times, for good cause, to enter any private or public property to make a thorough examination of the premises.
- In addition, the Board of Health shall provide advice and counsel to the city council and city staff in the operations of the Brookings Regional Landfill and the city solid waste collection operation, including:
 - Providing public education for the need of all phases of an integrated solid waste management system.
 - Establishing a comprehensive, realistic solid waste plan for the city.
 - Developing a financial policy to build and operate an integrated solid waste program.
 - Developing and promoting recycling and developing and promoting pilot programs for the collection of household hazardous waste and reducing solid waste.

Purpose

The Brookings Committee for People who have Disabilities strives to advocate for the rights of people who have disabilities in our community. Throughout the year, specific events are held to bring awareness and information to our citizens. Technical assistance is provided to the business community, private individuals, governmental entities and nonprofit organizations. The goals of this service are to improve the quality of life for people who have disabilities through enhancing the knowledge base of entities in the community; and to further serve as a community-based advocacy group enhancing the ability of local entities to comply with Federal Civil Rights legislation.

Purpose

The mission of the Brookings Human Rights Commission (BHRC) is to improve human relations in the Brookings area by fighting discrimination through education and a complaint resolution procedure. The Commission seeks to protect the rights of and prevent and eliminate bias and discrimination against individuals or groups because of their sex, race, color, creed, religion, ancestry, disability, familial status, national origin, age, marital status, ethnicity, sexual orientation, gender identity, or political affiliation, with respect to employment, labor union membership, housing accommodations, property rights, education, public accommodations or public services. The Commission promotes educational activities to make Brookings an inclusive and welcoming community.

Purpose

Public art enhances the built environment of a city and enriches the lives of its citizens. A dedicated funding source for an established program of public art enhances the reputation of a city and serves as a vehicle for attracting new businesses and citizens. A public art program encourages a community's artists and citizens to engage in creative activities and artistic development. A public arts commission can develop and implement a unified public art strategy for a community.

The role of the Brookings Public Arts Commission is as follows:

1. To develop a unified public art strategy for the City of Brookings;
2. To advise the City Council and other community groups and agencies who are initiating a public art project concerning the proposed site, selection of a professional artist and commissioning of a public artwork;
3. To oversee the Public Art Fund;
4. To guide and monitor design development process through reviews at various stages to ensure artistic and design quality, integration with the site and relevance to the community;
5. To approve the final design prior to fabrication; and
6. To approve the final artwork, installation procedures, and maintenance plan prior to installation.

Governance & Ends Policies

This document, established by the Brookings City Council, defines, protects and prioritizes the workings of the City Government. It is the ongoing hope of the Brookings City Council to lead the Citizens of Brookings in an ethical and prudent manner, in the best interests of the citizens, looking to the future rather than the past, as provided in the mission statement.

Mission Statement

The City of Brookings is committed to providing a high quality of life for its citizens, and fostering a diverse economic base, through innovative thinking, strategic planning, and proactive, fiscally responsible municipal management.

Table of Contents: Governance Policies

Defining the Purpose of the City Council, City Manager and all City Employees.

1. Governance Process

- 1.1 Ownership of the Council
- 1.2 Council Role
- 1.3 Council Style & Vision
- 1.4 Council Action
- 1.5 Council Code of Conduct
- 1.6 Citizen Advisory Boards
- 1.7 Review and Update of Policies

2. Council-Staff Linkage

- 2.1 City Manager Role
- 2.2 Delegation to the City Manager
- 2.3 Monitoring Executive Performance

1.6 Governance Process, Citizen Advisory Boards

The Council values the expression of citizen viewpoints on topics of concern to the Council. Therefore, the Council will continue the tradition of seeking input from volunteer citizen advisory boards and committees, although final responsibility for decisions, and the implementation that follows, rests entirely with the Council. The Council reminds staff that the ideal purpose of citizen involvement is not to advance staff agendas, but to seek objective opinions from a diverse range of citizens.

Guideline A

The Council will make every effort to offer overall direction and guidelines to citizen volunteers, through the use of Council Ends Policy statements, and by reviewing the mission and need for each citizen advisory board and committee on an annual basis. During the annual review:

- 1. The Council will determine if the need for a citizen advisory board or committee justifies continuation of the board or committee. If continuation is justified, proceed to #2.
- 2. The Council will make an effort to determine the most effective use of citizen volunteers, with a primary decision being the length of service for each board and

- committee. The Council believes citizen input will be more likely objective and updated if the advisory board or committee is kept in an ad hoc (short-term) format. However, the Council recognizes that some complex issues require citizen involvement for a longer period in order to be effective.
3. Unless otherwise specified by the Council, the City Manager will coordinate the activities and reporting functions of all citizen advisory boards and committees.
 4. The City Manager will base his guidance of citizen advisory boards and committees on Ends Policies established by the Council.
 5. The Mayor, with advice and consent of the Council, will make all appointments to citizen advisory boards and committees.
 6. Upon recommendation of the City Manager, the Council may approve the creation of ad hoc committees to assist the City Manager or his staff.

Guideline B

The Council directs all staff to review relevant Ends Policies with citizens upon their appointment to an advisory board or committee. The Council asks staff to be as objective as possible in educating and presenting options to citizens, since the purpose of advisory boards and committees is not only to hear from citizens, but to increase citizen involvement, loyalty, and creativity toward their City.

1. The Council asks the City Manager to create and regularly update an orientation packet for each new volunteer that includes relevant Ends Policies.
2. The Council asks staff to review this orientation packet with each potential volunteer, prior to their appointment, emphasizing this very policy (Policy I.6), and asking for a citizen signature on the line that indicates understanding of this policy.
3. Staff will provide regular summaries of citizen committee work to the Council.

Recruitment

The City of Brookings wants to give as many citizens as possible the opportunity to participate in local government and provide their viewpoint on topics of concern to the City Council. Prior to the expiration of a volunteer's term or upon notification of a resignation, the City Clerk prepares and distributes a press release to radio and print media as well as posting on the city website notifying the public for the vacancies on City Boards, Committees, and Commissions, including partial terms.

Advertising Policy: *The City of Brookings will notify the public of any vacancies of volunteer or compensated positions on boards, committees, and commissions of the City. Notification of vacancies will consist of press releases to local media at least two weeks prior to the appointment. (Source: Resolution 94-94 dated September 6, 1994)*

If there is little or no response to an advertisement, the City Clerk will re-advertise the position and extend the application deadline. Applications for Appointment are available at the City Clerk's Office. Applicants are required to return a signed application and supporting information, to include a signed *City Volunteer Code of Ethics Form*, to the City Clerk's Office by the advertised deadline.

Applicants may apply for more than one board by indicating 1st, 2nd, 3rd, etc. preferences. Individuals currently serving on a city board are not prevented from applying for a different board. However, that volunteer would be required to resign from the previous board.

One Board Policy: *The City Council desires to give as many citizens as possible an opportunity to serve upon the various boards, committees, and commissions. It is the policy of the City of Brookings that citizens may not serve on more than one board, committee, or commission at a time. (Source: Resolution 04-94)*

The City Clerk retains applications for one year. The City Clerk will maintain the applications of appointed volunteers on file for the duration of their service.

Mayoral Volunteer Appointment Process

(effective 01/01/2003)

Section 2.03 of the Brookings City Charter, provides that the Mayor shall "...appoint with the advice and consent of the Council the members of citizen advisory boards, committees and commissions...."

The following recites the general process followed by the Mayor and City Clerk's Office in the appointment process. It is designed to permit City Council members to exercise their "advice and consent" roles during the process. City Council members will be notified of upcoming appointments, may encourage potential applicants to submit applications to the City Clerk's Office, and will be provided a list of volunteer applicants who have applied following the closing date for applications. Normally, only those who have filed applications are considered for appointment. Council members are encouraged to discuss with the Mayor information or suggestions they may have concerning applicants.

The book of filed applications is maintained by the City Clerk's Office and is available for review by the public.

1. The City Clerk's Office will contact incumbents whose terms are expiring and inquire if they wish to be considered for reappointment.
2. The City Clerk's Office prepares a packet of information for the Mayor which includes the following:
 - Incumbent reappointment requests
 - Copies of current Applications for Appointment
 - Copies of Applications for Appointment on file
 - A summary on the specific Board's purpose
 - Specific Board composition requirements (professional designation, residency limitations, by-law requirements, etc.)
3. After providing the Mayor with the applicant packet information, the City Clerk will email the City Council a summary list that includes the following:
 - Incumbent reappointment requests (including dates of prior service)
 - Names of new applicants
 - Names of applicants on file
 - Summary on the specific Board's purpose
 - Specific Board composition requirements, if any

Applications are available for review in the City Clerk's Office.

If City Council members have information or recommendations concerning applicants they wish the Mayor to consider, they should confer with the Mayor within 7 days following receipt of the applicant list.

4. The Mayor may seek appointment recommendations from the specific board, committee, or commission by contacting the Board Chairman.
5. The Mayor may conduct personal interviews with applicants.

6. The Mayor may seek out candidates who have not applied and invite them to submit an application for consideration. The Mayor may accept applications after the published closing date.
7. The Mayor shall submit, or cause to be submitted, a list of planned appointments to the City Council members in the Council Packet prior to the date for Council action. The document shall include:
 - Names of Mayor's appointments including dates of prior service
 - A brief statement on appointee's qualifications
 - A summary on the specific Board's purpose
 - Specific Board composition requirements, if any

Applications are available for review in the City Clerk's Office.

8. Formal City Council action on all appointments is required and will normally be listed on the consent agenda.
9. Upon appointment, volunteers are sent a letter of congratulations and a certificate of appointment. Applicants who are not appointed will be advised in writing.
10. The City Clerk's Office will provide the name and contact information of the new volunteer to the appropriate Board, Committee, or Commission City staff liaison.
11. A formal orientation session will be coordinated to include the following attendees: Mayor, City Manager, City Clerk, board staff liaison, board chair and/or vice-chair.

City Directory

The City Clerk's Office maintains a comprehensive City Directory of all city boards, committees, and commissions and their volunteers. This will be made available to the general public, city staff, and elected officials in book format and on the city website.

Orientation and Training

Orientation sessions will occur at the onset of appointees terms. Training will be held as needed. All board members, long-term and newly appointed, are strongly encouraged to attend this training session.

Information to be covered: the City Council/Manager Form of Government, the City Council Governance Policies, the Role of Citizen Advisory Boards, Code of Ethics, Legal Issues Facing Boards, and the Role of the Chairman and Vice-Chairman.

Recognition

The Volunteer Appreciation Luncheon was created in 1993. The purpose of the event is to publicly recognize and thank all the people who volunteer their time to serve on city boards, committees and commissions. It is usually held in late April or early May, during National Volunteer Appreciation Week. In addition to the 137 city and 8 county volunteers, city staff that assist the boards, city management and the Mayor and City Council also attend the event. Gathering at the luncheon provides an opportunity for the City Council to meet and personally thank the volunteers. This event was not held in 2020.

Annual Reporting *(This process is currently undergoing evaluation.)*

Commencing in 2003, the City will sponsor an Annual Meeting Event to provide volunteers the opportunity to socialize, exchange ideas, seek partnering opportunities and provide a report to each other and the City Council regarding their activities. The annual meeting reports are then incorporated into the City Council's annual evaluation of each board's mission and continued need.

Annual report contents:

- Verbal Reports – 5 minutes in length
- Written Report
 - List of Volunteers
 - Summary of Purpose
 - Report on programs and services
 - Performance Measurement Summary
 - Expenditure Report
 - Goals and Objectives for the coming year
 - Unmet Needs
- Each Board must formally approve their report.
 - Airport Board
 - Board of Adjustment
 - Board of Appeals
 - Board of Health
 - Historic Preservation Commission
 - Human Rights Commission
 - Library Board
 - Brookings Committee for People who have Disabilities
 - Parks & Recreation Board
 - Planning Commission
 - Traffic Safety Committee

SOUTH DAKOTA OPEN MEETING LAWS

What is South Dakota's Open Meetings Law?

South Dakota's open meetings law was written in 1965 and amended in 1980, 1987, 1989 and 1990. The law – which is intended to encourage public participation in government – now is contained in three relevant statutes.

The first, SDCL 1-25-1, requires that official meeting of cities, counties, school boards and all related boards and commissions be open to the public.

The meetings of boards and commissions which are created by law OR which are entitled to receive revenue directly from public tax funds are also subject to the open meetings law.

It is a Class 2 misdemeanor to break this law. A Class 2 misdemeanor is punishable by a penalty of 30 days in jail, a \$200 fine, or both. SDCL 22-6-2.

While the open meetings law does not define “official meeting”, specific statutes relating to cities, counties and school districts define what constitutes an official meeting. The attorney general has taken the position that a meeting, that must be open to the public, occurs when the following conditions exist:

- A legal quorum of the entity is present at the same place at the same time; and
- Public business, meaning any matter relating to the activities of the entity, is discussed.

Openness in government is encouraged and although state law may not require an entity to open a meeting to the public, state law in no way prevents openness. When in doubt, open the meeting.

How are the Public and Media notified when public business is being discussed?

SDCL 1-25-1.1 requires that all public bodies prominently post a notice and copy of the proposed agenda at the organization's principal office a continuous 24 hours PRIOR to the meeting. In case of special or rescheduled meetings, public bodies are asked to comply with the regular meeting notice requirements as much as circumstance will permit. The notice must be delivered in person, by mail or over the telephone to all local news media who have asked to be notified. While the law is silent on the issue, it is recommended that local media renew requests for notification annually as a means of reminding the entity of ongoing media interest.

Who are the local Media?

Because there is no definition set out in state law, the attorney general is of the opinion that local media is all media – broadcast and print – that regularly carries news to the community. While this is a very broad definition, the number of requests by news organizations for notification has not been excessive.

What happens when a public body fails to comply by properly notify local media or posting notice?

No South Dakota court has rules on this question. The attorney general believes that any action taken during any meeting that has not been properly noticed could, if challenged, be declared null and void. It could even result in personal liability for members of the governing body involved, depending upon the action taken.

When can a meeting be closed to the public and media?

SDCL 1-25-2 allows a majority of the body present to vote to close a meeting when discussion revolves around employee or student performance, legal matters, employee contract negotiations or pricing strategies by publicly-owned competitive business. Note that the statute does not require meetings be closed in these circumstances. Federal legislation regarding the student records often requires school districts to close meetings. Finally, governmental organizations must act responsibly when dealing with information harmful to an individual's reputation. Any official action based on these discussions must be made at an open meeting. Violating this section of the law is a Class 2 misdemeanor.

Does this law require that the public body make reference to a specific legal or personnel matter?

The public body must refer to the general purpose in the motion calling for an executive session. Discussion in the executive session must be strictly limited to the announced subject.

No official votes may be taken on any matter during an executive session. The governing body must adjourn the executive session and return to open session before any official action can be taken. Board members could be held personally liable for the results of an official vote taken illegally during an executive session. For example, a contract approved only during an executive session could be found void and the board members could be required to repay any public funds spend under the contract. The attorney general encourages public bodies to cite the specific reason when calling for an executive session.

What happens if the media or public is improperly excluded from an official meeting?

Excluding the media or public from a meeting that has not been properly closed is a Class 2 misdemeanor punishable by a maximum sentence of 30 days in jail, a \$200 fine, or both. The first level of enforcement is the local state's attorney. Repeated violations should be brought to the attention of the attorney general.

Who does the Open Meetings Law apply to?

The open meetings law applies to all public bodies that are not specifically exempted by the law. That means that all units of local governments – including school boards, city and county commissions – and state government boards and commissions are bound by the open meetings law. Generally speaking, any unit of government that receives public funds as revenue is subject to the open meetings law. The meetings of boards and commissions which are created by law or which are entitled to receive revenue directly from public tax funds are subject to the open meetings law. The law's applicability becomes less clear when it comes to the Legislature, the governor, the constitutional officers and special committees appointed by local governments.

Will all teleconferences be considered public meetings?

Yes. The open meetings law allows meetings, including executive or closed meetings, to be conducted by teleconference – an information exchange by audio or video medium – if a place is provided for the public to participate by speaker phone. State agencies must provide two places for the public to participate.

The media and public must be notified of telephone conference call meetings under the same notice requirements as any other meeting. All votes shall be taken by roll call during a

teleconference. A teleconference cannot be used for any part of a state administrative rule of process.

SDCL 1-25-1 Meeting of public agencies to be open – Misdemeanor.

Except as otherwise provided by law, the official meetings of the state and the political subdivisions thereof, including all related boards, commissions and other agencies, and the subdivisions thereof, including all related boards, commissions and other agencies, and the official meetings of boards, commissions and other agencies created by statute or which are non-taxpaying and derive a source of revenue from public funds, shall be open to the public, except as provided in this chapter.

Meetings, including executive or closed meetings may be conducted by teleconference. Members shall be deemed present if they answer present to the roll call taken by teleconference. Any vote at a meeting held by teleconference shall be taken by roll call.

Except for executive or closed meetings held by teleconference, there shall be provided one or more places at which the public may listen to participate in the proceedings. Except for executive or closed meetings held by teleconference of related boards and commissioners of the state, there shall be provided two or more places at which the public may listen to and participate in the proceedings. No teleconference may be used in conducting hearings or taking final disposition pursuant to 1-26-4. A meeting held by teleconference is subject to the notice provisions of Chapter 1-25. (A violation of this section is a Class 2 misdemeanor.)

SDCL 1-25-1.1 Public notice provided.

All public bodies shall provide notice, with proposed agenda, that is visible, readable, and accessible for at least an entire, continuous 24 hours immediately preceding any official meeting, by posting a copy of the notice, visible to the public, at the principal office of the political subdivision holding the meeting. The proposed agenda shall include the date, time, and location of the meeting. The notice shall also be posted on the political subdivision's website upon dissemination of the notice, if a website exists. For any special or rescheduled meetings, the information in the notice shall be delivered in person, by mail, by email, or by telephone, to members of the local news media who have requested notice. For any special or rescheduled meeting, each political subdivision shall also comply with the public notice provisions of this section for a regular meeting to the extent that circumstances permit. A violation of this section is a Class 2 misdemeanor.

SDCL 1-25-2 Executive or closed meetings.

Executive or closed meetings may be held for the sole purpose of:

- 1) Discussing the qualifications, competence, performance, character or fitness of any public officer or employee or prospective public officer or employee. The term "employee" does not include any independent contractors
- 2) Discussing the expulsion, suspension, discipline, assignment of or the educational program of a student or the eligibility of a student to participate in interscholastic activities provided by the South Dakota High School Activities Association;
- 3) Consulting with legal counsel or reviewing communications from legal counsel about proposed or pending litigation or contractual matters
- 4) Preparing for contract negotiations or negotiating with employees or employee representatives

- 5) Discussing marketing or pricing strategies by a board or commission of a business owned by the state or any of its political subdivisions, where public discussions would be harmful to the competitive position of the business.
- 6) Discussing information listed in subdivisions [1-27-1.5\(8\)](#) and [1-27-1.5\(17\)](#).

However, any official action concerning such matters shall be made at an open official meeting. An executive or closed meeting shall be held only upon a majority vote of the members of the public body present and voting, and discussion during the closed meeting is restricted to the purpose specified in the closure motion. Nothing in § [1-25-1](#) or this section prevents an executive or closed meeting if the federal or state Constitution or the federal or state statutes require or permit it. A violation of this section is a Class 2 misdemeanor.
